WINCHBURGH ACADEMY

- S1 Pupils arrive at 9.30am (You can still attend if you haven't previously booked in/registered in advance)
- Depending on numbers, it is likely that two groups will be established each day and therefore activities planned will rotate – 1 activity before break and the other activity after break
- Unless otherwise noted in registration/booking forms – young people will be picked up at 12.30pm
- Enhanced Transition event on Tuesday 9th will be for relevant young people by invite
- Other games/activities may be added depending on numbers and needs of the group (potentially other PE/games activities)
- No school uniform required but appropriate clothing is encouraged
- Pupils can attend all days or some days. It would be great to see as many as possible but obviously this is voluntary and we understand that some may be on holiday or unavailable. Don't worry, no curriculum work will be done this is a fun opportunity to work with our staff and get familiar with our new school building.
