

Skills Development Scotland

Jolene Keddie is the Skills Development Scotland Careers Adviser for **Winchburgh Academy**. Through a combination of group sessions and one-one interviews throughout their time at school, pupils can access support to identify and develop their **Career Management Skills**

These skills will help to ensure young people are successful career planners in school and throughout their lives.

Contact Jolene direct or speak to your Head of House if you want more information

[My World of Work \(opens new window\)](#) - for all your work, skills and learning needs

This website is used in school and all school students are encouraged to register and use the resources on this site to help them with their research.

[Apprenticeships Scotland\(opens new window\)](#) - for all the latest on apprenticeships

Apprenticeships have changed, with more than 80 different types covering hundreds of jobs. Check this website to search and apply for these types of opportunities.

- **Foundation Apprenticeships** which help you kick-start your career before you even leave school.
- **Modern Apprenticeships** for those who are keen to work and get paid while getting qualified.
- **Graduate Apprenticeships** offer the chance to get a university degree while working.

Parents/Carers – We're here to help you too

- You can talk to your young person's school careers Adviser at parents' nights or school events.
- Use the parents and carers section of My World of Work
