

Winchburgh Academy

NPA Events SCQF Level 6

Course Overview

NPA Events SCQF level 6 provides a platform for aspiring individuals in the events industry and develops knowledge in event organisation, event costing and corporate events.

Skills Development

Develop practical, technical and transferable skills including oral, written and evaluation abilities, problem-solving, planning, organisational and communication skills.

Units

3 mandatory units (18 SCQF credits) including:

- Event Organisation
- Events Costing: An Introduction
- Corporate Events: An Introduction, plus one optional unit

Assessment

Ongoing assessment per unit specification with integration encouraged, enhancing practice and technical skills.
